# Displaced Energy Worker Dependent Transition Scholarship Program

**The Displaced Energy Worker Dependent Transition Scholarship Program** provides scholarship assistance to students whose parent is a displaced energy worker. The scholarship pays tuition and fee costs at public colleges or community colleges for one calendar year, for undergraduate or graduate study.

## Eligibility factors include:

- Applicants must be the natural child, legally adopted child or stepchild of an energy worker who has lost employment due to the reduced operation or closure of a fossil fuel power plant or coal mine.
- Applicants must be enrolled or accepted for enrollment, on a full- or part-time basis (at least 3 credit hours) at an Illinois public university or community college at the time of application. The award amount is limited to the cost of in-district and in-state tuition and fees.
- Applicants must demonstrate unmet financial need.
- Applicants need not be a resident of Illinois at the time of enrollment.

Funding is available for the 2026-27 school year. Find out more about eligibility, and apply now at **www.isac.org/displacedenergyworker**
